This month, Gilbert talks to Scott Cullen from TSN.ca, Gus Katsaros from McKeen's Hockey, and Dobber from... well, here.

Guests for this episode:

The lockout is over and hockey is back! So is Dobber Nation! On the first show, we hit the ice with **TSN.ca columnist Scott Cullen** to discuss his fantasy draft regret and how he angered a whole lot of Oilers fans. **Gus Katsaros from McKeen Hockey** discusses rookies and prospects and Lupul, oh my! Finally, **Dobber** stops in to give you an in depth look at his original top 10 sleeper picks and his top 10 rookies.

Oh, and I also put them all on the spot with a new segment called **"Dobber Nation Tough Ten".** Ten questions that will have them shaking in fear! Okay, maybe just answering without having time to really think about the answers. Nevertheless! Download! Listen! Love! Subscribe!
