MacArthur, Clarke LW BUF		71				17					14	

Didn't do much after the new year with one goal and six points from January 1st until March 7. He did

Madden, John C NJ	X					76					7	

The worst season of his nine year career, he should get back to 30 points next season.
Mair, Adam RW BUF 75 8 11

His career high is 20 points, enough said.
Malhotra, Manny C CLB X 77 11

Reached a career high point production.
Malkin, Evgeni C PIT 82 35 78

Will challenge for the scoring title for at least the next 7 years.
Malone, Ryan LW TB 70 26 19

I wasn't a believer, but Malone earned my respect with a season very similar to last year.
Mara, Paul D NYR X 76 5

Forget about his 40-point days, he simply a 20-25 point guy now.
Marchant, Todd C ANA X 72 5

He has become a one dimensional player and that dimension ain't offense.
Markov, Andrei D MON 78 12 52

Might be the second best offensive defenseman in the NHL after Mike Green.
Marleau, Patrick C SJ 76 38 33

Posted a career high 38 goals and averaged almost a point per game despite scoring only five goals
Martin, Paul D NJ 73 5 28

Clearly won't become more than a 35-point producer.
Mayers, Jamal RW TOR 71 7 9

Not hired for his offense, but 25 points are expected.
McAmmond, Dean LW NYI 62 5

A role player who'll be lucky to be ever each 30 points again.
McCabe, Bryan D FLA 69 15 24

If Bouwmeester leaves Florida, McCabe will play an even larger role next season.

McClement, Jay C STL	82	12	14

Does a good job as a defensive specialist, but you can't expect more than 30 points.

McCormick, Cody C COL	55	1	11

He'll spend his entire career between the NHL and the AHL.

McDonald, Andy C STL	46	15	29

Proved he could perform without Selanne.

McLean, Brett C FLA	80	7	12

Extremely disappointing since he has the talent to score 40 points.
McLeod, Cody LW COL 79 15 5

15 goals from a guy with 150 penalty minutes, not bad at all.
Meszaros, Andrej D TB 52 2 14

What a huge bust! Was totally miscast as the leader on defense.
Methot, Marc D CLB 66 4 13

Will never score a lot.
Metropolit, Glen RW MON 76 6 11

Seventh NHL team and he's probably not done yet.
Michalek, Milan RW SJ 77 23 34

Three straight season of 23 to 26 goals and 55 to 66 points, you know what you'll be getting.
Michalek, Zbynek D PHO 82 6 21

Was his usual self following an off season last year.
Miettinen, Antti LW MIN 82 15 29

He scored 19 points in the first 22 games, 3 in the last 19. I don't see him ever scoring 50 points.
Mitchell, John C TOR 76 12 17

Did as well as Kulemin, but doesn't have his upside.

Mitchell, Willie D VAN 82 3 20

Career high point production, he's usually good for only 10 to 15 points.
Modano, Mike C DAL 80 15 31

I don't think we'll see Modano hit 50 points again.
Modin, Fredrik LW CLB 50 9 16

Modin is nothing more than a 40-point player anymore.
Moen, Travis LW SJ X 82 7

See Mike Grier.
Moller, Oscar C LA 40 7 8

An eventful year for Moller with the World Juniors, a fractured clavicle and a slew of games from the s
Montador, Steve D BOS X 78 4

Nice enough production for a defenseman with over 100 penalty minutes.
Moore, Dominic C BUF X 81 13

Hearing is name mentioned so often at the trade deadline you'd have thought we were talking about a

Morris, Derek D NYR X 75 5

Is now a 20-25 point player.
Morrison, Brendan C DALX 81 16

Was awful in Anaheim, but was his usual self in Dallas. Value will be tied to his role next season, but
Morrisonn, Shaone D WAS72 3 10

This is what he produces year in and year out.
Morrow, Brenden LW DAL 18 5 10

He'll be back to his old self, I'm not worried.
Moss, David LW CGY 81 20 19

I thought he could deliver this kind of production last year, but better late than never.
Mottau, Mike D NJ 80 1 14

It will be an achievement if he ever reaches 20 points.
Mueller, Peter C PHO 72 13 23
