Chris Boyle is back with his monthly roto rankings. Unfortunately, to quote Boyle - "my real job got in the way of my fake job this month", so you'll have to wait until January for the hilarity of his fine wit to resume.

Just remember that unlike the other rankings on this site, the roto rankings gives you the value of the player in rotisserie leagues season-to-date, and does not project for the future...

NOV	PLAYER	TEAM	OCT	SEP
1	Ryan Miller	BUF		1
2	Alex Ovechkin	WAS		2
3	Ilya Bryzgalov	PHO		12
