Quincey, Kyle D	LA	72									4	34
Claimed off waivers from the Red Wings, he's been quite a find, but a drop in production next season												
Radulov, Alexander RW	NSH	9									0	0

If he comes back to the NHL, he's a fourth round pick in most fantasy leagues.
Rafalski, Brian D DET 78 10 49

Can you believe he actually scored as many points as Lidstrom. He doesn't get the respect he deserv
Ranger, Paul D TB 42 2 11

Should be ready for the next season after shoulder surgery, but monitor his recovery.
Raymond, Mason LW VAN72 11 12

Extremely disappointing after a good first month. Had only four points in his last 34 games. He'll do be
Reasoner, Marty C ATL X 79 14

As good as it gets for Reasoner.
Recchi, Mark RW BOS X 80 23

Outstanding season for the now 41-year old Recchi. He just can't keep this up for much longer.
Redden, Wade D NYR 81 3 23

Extremely low production for someone with some much power play time. His worst season since his s
Reddox, Liam LW EDM 46 5 7

Will never be anything more than a fourth liner.
Reinprecht, Steve C PHOX 73 14

Unless he gets injured, he'll give you between 40 and 50 year in and year out.
Ribeiro, Mike C DAL 82 22 56

Proved last year was no fluke, would have done even better if Morrow had been there all year.
Richards, Brad C DAL 56 16 32

Two serious injuries this season, buyer beware.
Richards, Mike C PHI 79 30 50

Might be the most complete player in the NHL. Nothing he does will surprise me.
Rivet, Craig D BUF 64 2 22

If not for injury, he'd have performed as usual.
Robidas, Stephane D DAL 72 3 23

You'd expect more from a guy who spends so much time on the power play.
Roenick, Jeremy C SJ X 42 4

I will be extremely surprised if he doesn't retire.
Rolston, Brian C NJ 64 15 17

An ankle injury seriously hurt his season. He should rebound somewhat next season
Roy, Derek C BUF 82 28 42

Actually a slightly disappointing season for Roy, but it's due mostly to a slow start. Expect better next
Rozsival, Michal D NYR 76 8 22

Disappointing numbers for the team's top scoring defenseman. He can do better, but not by much.
Russell, Kris D CLB 66 2 19

Has started to display his high potential, but is very inconsistent. Should surpass 30 points next seaso
Ruutu, Jarkko RW OTT 78 7 14

Achieved career high points and penalty minutes.
Ruutu, Tuomo C CAR 79 26 28

I think he's finally reaching his potential and we could see 65 points next season.

Ryan, Bobby	RW	ANA	64	31	26

All he needed was an opportunity, will be a top-30 scorer next year.

Ryder, Michael	RW	BOS	74	27	26

As expected, bounced back with production similar to his first three seasons in the NHL following a m
