Lockout Update Day 101: There is still a lockout

Merry Christmas!

Thank you everyone for sticking with DobberHockey throughout the NHL lockout. I wish all of you a wonderful Christmas and a safe and prosperous New Year - you and the family. I'll be enjoying today with my family, especially my two little girls. Four years ago from this very day, my daughter Avery was born, making me a father and at the same time - the happiest guy on earth. The best Christmas present anyone could get. About two-and-a-half years later, Mackenzie was born, doubling the happiness.

Hey, if you're looking to kill a few minutes before the family drags you to the car to head for one of many Christmas gatherings (or maybe you're the one doing the dragging!), I'll entertain you with a few video clips I handpicked. (Hey, usually I just say Merry Christmas and leave it that!)
