So how is FanDuel different from your regular fantasy hockey league?

- o These are salary cap leagues that last only one day
- o You get instant cash payouts every day
- o You don't have to rely on your buddies – you can pick new opponents every day
- o You can play for free, but playing for real money – for up to \$10,000 in prizes per game – takes the fantasy hockey excitement off the charts!

**[CLICK HERE](#) to sign up for your account and register for this \$500 free contest on [FanDuel.com](#)**
