Welcome to the final audit of the 2008-09 season for Dobberhockey and for my fantasy hockey blog over at Hockey Analysis. We'll be picking this up again soon though, I just don't think that there's going to be anything until after June's draft or so. For the most part the audit for this month only answers one question, who do you keep?

Robert Wilson (his buddies call him Bubba) lives in the Ottawa area and plays in a 12 team keeper there. Bubba caught my eye this month because he titled his email "Next year I want to beat Russ Miller", and I certainly get that. It looks like Russ Miller (or Comish as he's known at Dobberhockey) will finish in front of me too in the Expert's League this year even though I did manage to lead the pack for 2 months or so. Comish is a bit of a magician with this fantasy hockey thing so I feel your pain here Bubba.
