Guests for this episode:

The lockout is over and hockey is back! So is Dobber Nation! On the first show, we hit the ice with **TSN.ca columnist Scott Cullen** to discuss his fantasy draft regret and how he angered a whole lot of Oilers fans.

Gus Katsaros from McKeen

Hockey

discusses rookies and

prospects and Lupul, oh my! Finally,

Dobber

stops in to give you an in depth look at his original top 10 sleeper picks and his top 10 rookies.

Oh, and I also put them all on the spot with a new segment called "**Dobber Nation Tough Ten**".

Ten questions that will have them shaking in fear! Okay, maybe just answering without having time to really think about the answers. Nevertheless! Download! Listen! Love! Subscribe!
